

Asia Square Tower 2

12 Marina View Singapore 018961

Asia Square Tower 2 is a 46-storey integrated development comprising premium Grade A offices with ancillary retail space and a hotel (owned by an unrelated third party). Completed in September 2013, the building offers high quality office space through its large, efficient and column-free floor plates of up to 31,000 sq ft.

Harnessing sustainable practices, the building integrates solar panels and a smart roof design to optimise natural sunlight, minimising energy consumption. The façade also employs highly efficient double-glazed glass with triple lining for heat reduction.

Indoors, the Intelligent Building Management System, paired with motion detectors, seamlessly regulates lighting levels based on occupancy and usage patterns, while energy-efficient lifts convert lift car movements into electricity to power the system autonomously. Water conservation is prioritised as harvested water from air handling units is repurposed for flushing water closets.

- Located in the heart of Singapore's Central Business District
- Well served by 2 MRT lines via Shenton Way (Thomson East Coast line) and Downtown (Downtown line) MRT stations
- End-of-trip facilities available for sustainable commuting: shower facilities, bicycle lots and lockers
