Immerse in the quiet sanctuary of The Botany, a 99-year leasehold new condo development consisting of 386 units, spread across 5 blocks of 9 to 15 storey buildings. Across Dairy Farm Road, nature-loving residents can take a scenic forest walk to Dairy Farm Nature Park, which connects to Bukit Timah Nature Reserve. Despite being located at the city fringe, off Upper Bukit Timah Road, residents can reach Hillview MRT station by foot in about 10 minutes, effectively linking them to downtown areas such as Bugis and Marina Bay via the Downtown Line (DTL). For more dining options, residents can also head to the nearby HillV2 or The Rail Mall, both within a 15-minute walk away. Schools like GESS International School, CHIJ Our Lady Queen Of Peace and Assumption English School are also within walking distance.
