

## Jurong East Central 4 Bedroom (Premium) #26-08 1,485 (sqft) Promotional Price @ \$3,692,000 / \$2,486 psf

J'Den is a 99-year leasehold mixed-use development that consists of 368 new condo units in a 40-storey building, which has two levels of retail space. It is presiding over the site of the former Jcube. Situated in the heart of the Jurong Lake District, residents can enjoy seamless connection to the Jurong East MRT interchange, providing island-wide access via the East-West Line (EWL) and North-South Line (NSL).

There is no lack of amenities too, especially with various shopping centres like JEM, Westgate and IMM within walking distance via the J-Walk pedestrian network. Families with school-going children can also find several schools in the proximity, such as Fuhua Primary School, Yuhua Primary School and Crest Secondary School. Within the compound, residents can seek respite from the bustling hub in its Garden Oasis on Level 3, where a Lazy River runs through a multitude of facilities like a Parkour Gym, a Jacuzzi Pool, a Floating Pavilion and even a Party House.
